WORLD SWIM AGAINST MALARIA

A million people swimming

Sponsorship Form

I am part of World Swim Against Malaria, a global fundraising swim to help fight malaria. The equivalent of 7 jumbo jets full of children die from malaria every day.

That's 3,000 children, each day. Malaria is the world's single largest killer of children. Yet it is preventable. And the single most effective way of preventing malaria is to have people in affected regions sleep under a £3 mosquito net.

100% of the money I raise will buy mosquito nets.

Help us receive extra: If you pay UK tax* and you tick the Gift Aid box we will be able to claim 28% from the Government on top of your donation and it won't cost you a penny! * you need to have paid UK income tax and/or capital gains tax at least equal to the amount we will claim.
