Dear Sir,

RE: REPORT FOR MOSQUITO NET BISTRIBUTION

This is to forward a report of the above subject to your office for your necessary information. The following table shows how the exercise has been done.

S/N	Name of Village	Number .of households	Total number of people	Number of nets given	Remarks
1	Kayonza	183	872	300	Given out
2	Kyabirukwa	156	564	300	Given out
3	Ruhimbo	181	1175	420	Given out
4	Rwembwa	311	892	386	Given out
5	Rwengiri	106	836	250	Given out
6	Rwenkuba	267	Un known	200	Given out
7	Mabona		Unknown	270	Given out
8	Kisaye		Unknown	274	Given out
9	Kyabirukwa Health Unit			100	Given out
	Total	937		2,500	

The mobilization has been so good. The LCI Chairpersons did a good job as the mobilized their communities. Other villages are also making applications as to whether they can be considered for the mosquito nets. Yet in the villages where we gave out the nets some families were left out.

The exercise did not move very fast just because we wanted to establish the correct people to give. The main reason being community leaders gave abnormal lists with wrong number of people in the homesteads. At last the exercise has been finished successfully.

On behalf of the people of Isingiro Town Council and myself, allow me say thank you for this donation to our needy people. God bless you abundantly

Great thanks go to St Katyoko M who willingly accepted to move with me out at some late hours of the day to the distribution centres.

I also the pleasure to thank our donors who supported us to fight malaria in Uganda especially the people on the out skirts of Isingiro Town Council

I remain
Yours truly,

Batyani James
DHI ISINGIRO DISTRICT.
