

# Killer facts

**FACT:** By the time you read this poster, one child in Africa has died from malaria - hard to imagine isn't it?

**FACT:** Malaria is the world's single largest killer of children and pregnant women. 70% of them are children under 5 years old.

**FACT:** The single most effective means of prevention is a mosquito net costing \$2.

**FACT:** 100% of money raised through Against Malaria will go directly to buy a bed net and save lives.

**FACT:** For every \$1million raised, 300 will live who would otherwise have died from malaria.
