WORLD SWIM AGAINST MALARIA

A million people swimming

Sponsorship Form

I am part of World Swim Against Malaria, a global fundraising swim to help fight malaria. The equivalent of 7 jumbo jets full of children die from malaria every day.

That's 3,000 children, each day. Malaria is the world's single largest killer of children. Yet it is preventable. And the single most effective way of preventing malaria is to have people in affected regions sleep under a US$5 mosquito net.

100% of the money I raise will buy mosquito nets.
