RE: New Charities Registration Number  
CH2776000

Dear Sir/Madame:

This letter serves to confirm our receipt of your initial registration application packet and to issue your organization a charitable registration number. Pursuant to the Charitable Registration and Investigation Act, N.J.S.A 45: 17A-18 et seq., you may assume that your Charitable Registration application has been accepted within (10) business days of this letter. Therefore, within ten (10) business days of the date of this notice, you may refer to the above charitable registration number and proceed as an organization registered to solicit funds in this state.

**Please note that your registration application packet is still under review. If your application is found to be incomplete, you will be notified and a prompt remedy to the deficiency is expected. If your organization does not take steps to remedy the deficiency in a timely manner, your Charitable Registration number will be revoked and it will be unlawful for your organization to solicit funds.**

Your organization must renew its Charitable Registration annually. All renewal registrations are due six (6) months after your organization's fiscal year end. Please keep this letter in your permanent files to easily access your organization's Charitable Registration information in the future. Renewal registration forms are easily downloadable from the official State of New Jersey website. We have attached instructions how to access them for your convenience. Should you not have web access or have difficulty, you may contact us at our office hotline (973) 504-6215.

Thank you for your attention.

Sincerely,

Sandra Smith
