Re: World Swim for Malaria Foundation
Registration No. 06-3286

Dear Mr. Good:

The Attorney General's Charitable Law Section has received the Charitable Organization Registration Statement filed on behalf of World Swim for Malaria Foundation. This registration is required because the organization is soliciting for a charitable purpose in Ohio. The registration number assigned to this organization is **06-3286**. It is important to reference this registration number on all filings and correspondence with this Office.

As a newly-registered organization, it is important to be aware of the following information:

1. This registration is a state requirement and does not release this organization from any obligations it may have under local ordinances.

2. If an organization uses a professional solicitor, certain additional obligations apply. Please refer to the enclosed copies of the statute and information sheet for further details.

The Attorney General appreciates your cooperation in complying with the statutory registration requirements as they apply to this organization. Do not hesitate to contact the Charitable Law Section if you have any questions. Thank you.

Very truly yours,

JIM PETRO
ATTORNEY GENERAL
